

WHITE HORSE PARK COMMUNITY ASSOCIATION INC. ECC GUIDELINES

Revised 3/21/15
Updated 10/26/2024

Pursuant to the Declarations of White Horse Park dated January 16, 1983, Article VII, Environmental Control Committee, paragraph 7.4; the ECC Guidelines have been revised and updated as follows:

***PRIOR TO SUBMITTING AN ECC FORM TO THE OFFICE: Owners must first contact the County to see if permits are needed, and please document the name(s) of the County representative.**

***REMOVAL OF ALL PERSONAL PROPERTY FROM COMMON GROUND is a mandatory condition for approving an ECC Application for major improvements, no exceptions – not required for approving an application relating to repairs. If you are not sure which category your application falls into, the ECC will determine upon request.**

*** You must be in possession of a valid survey for all concrete or asphalt work and ground-level decking.**

***OWNERS MUST INFORM THE E.C.C.: when a project is completed for follow-up inspection and approval.**

***FINE: If a member does not obtain prior ECC approval, the member shall be charged a one-time fine of up to \$1,000.00, but not less than \$200, whether the work is approved or disapproved after the fact. The BOD will approve the amount of the fine based upon the type of work done without approval.**

Addendum

The ECC Committee will enforce White Horse Park Committee Association Rules and Regulations violations. Homeowners will receive notices of failure to comply and receive a proper time frame for corrections.

Any owner, who intends to construct or place an “improvement” on their lot, including any structure, must comply with Section VII of the Declarations of Restrictions of White Horse Park, which requires submission of an ECC application and receiving written approval of the application from the ECC committee.

Removing all personal property from common ground is a mandatory condition for approving an ECC Application for major improvements, no exceptions – not required for approving an application relating to repairs. If you are not sure which category your application falls into, the ECC will determine upon request.

You must be in possession of a valid survey for all concrete or asphalt work and ground-level decking.

Please note that these guidelines are in addition to any County permits that may be required. An owner may be required by Worcester County Code to make an application for a building permit from Worcester County Development, Review and Permitting.

It would be in the best interest of the Owner to provide all names of those contacted at the Worcester County Development, Review and Permitting department.

ECC REMINDER – WHEN IN DOUBT, FILL IT OUT!!!
